## Soccer Field & Football Field Banner Information

Your business can help the Laurel-London Optimist Club! We are selling 3' x 8' banners which are placed around the fencing of the soccer and football fields. These banners will be maintained and visible to all visitors during both soccer & football seasons. Following the completion of the contract period, the banners will become the property of the donor. A contract period begins in August and ends in May. A donation of \$300.00 will provide the donor with one contract year of advertising. \$550.00 will provide the donor with three (3) contract years of advertising.

The banners are made of a very heavy-duty canvas material that is coated with a shiny covering and is durable for all types of weather. They are available in various colors including: white, yellow, orange, ivory, maroon, black, blue and red. The lettering is also available in a variety of colors including: blue, green, black, yellow, red, orange, white and purple. You simply need to select the wording and any simple logo you would like on this banner.

If you are interested in donating to the Laurel-London Optimist Club through this program, please take the time to draw out a draft of your banner. Please include placement of logos, phone numbers, website address, wording and desired colors on the bottom of this form. If there are any questions regarding the layout of your banner, you will be contacted. You can mail the completed form, along with your payment, to:
